Dear [redacted]

25X1

Request F.B.I.
We have been wondering if it would be possible to receive a copy of the [redacted] report on the Baker Hydroneal plant. If so, I would appreciate it if you could have it mailed to the below address.

Also, I would like very much to get your impressions on the tests, now that they are completed. If you could call me at my home some evening [redacted] maybe we can arrange to get together.

Very truly yours,
